

Advance-Nilfisk Parts

Advance-Nilfisk Part - Think about how tiresome it will actually be to tidy up your home right after having a large party, with out assistance from cleaning machines. In the past, the time upholstery and carpets had the dust beat out of them manually; brooms, cleaning cloths and brushes were the state-of-the-art cleaning materials of that time.

The man who founded Nilfisk-Advance, P.A. Fisker, began as an electrical engineer who really liked to work on electrical motors. After starting his company during the year 1906, he started to produce motors to drive machine tools, drills, coffee grinders and fans. Mr. Fisker's dream from the start was to own a global company selling products internationally.

The Nilfisk C1 was a revolutionary breakthrough in the cleaning business. Mr. Fisker invented an amazing, ground breaking vacuum cleaner that can be operated by one individual for the reason that it only weighed 17.5 kilos! This invention came in a time where other cleaning equipment were massive and required at least 4 operators, therefore, the Nilfisk C1 changed everything and developed the way we clean forever. The mastermind behind these very first cleaning machines remains unparalleled. Cleaning equipment offer an excellent solution to an ongoing crisis; things get dirty and should be cleaned on a regular basis, without too much effort.

Gradually, the company Nilfisk-Advance grew through the years. During the the early part of the 1980's the business grew more rapidly when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the industry, aiming to be an active global player in producing professional cleaning equipment. Nilfisk-Advance is now represented in every part of the globe due to gradually acquiring numerous small businesses so as to expand their product range and presence in new markets. They are really proud to provide different cleaning solutions to fit each and every need.
