

American Lincoln Part

American Lincoln Parts - The American Lincoln division is presently connected with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized within the industry as durable and strong equipment that satisfies the needs of heavy industry and larger infrastructure. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

American Lincoln shares the battery-operated walk behind model of floor scrubber with the Clarke Company that is now also owned by Nilfisk Advance. Their production operations are mainly based in Springdale Arkansas. These scrubbers are accessible in the market under the brand name "Encore". American Lincoln has the ability to provide warranty service, machinery and parts for these kinds of scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility supervisors where results and efficiency matter. Recently, this particular floor scrubber model has been requested by the architects in different construction projects such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors make use of this particular sweeper scrubber on site because of the model's excellent quality and supreme performance level for polishing concrete.
