

## Forklift Electrical Parts

Electrical Parts for Forklifts - Forklifts as well as various lift trucks may have particular labels used in some hazardous locations. The mark denotes that this specific model of lift truck meets the minimum standards of ANSI/UL 553 utilized for electric forklifts or ANSI/UL 558 intended for internal combustion engine lift trucks.

The application for labels for lift forklifts may be found in National Fire Protection Association NFPA 505 - Powered Industrial lift trucks including: Maintenance and Operation, Type Designations, and Areas of Use. Consult your local insurance carrier and Fire Marshall for more information concerning the permitted uses of industrial powered lift trucks in your application.

If the forklift has been proven to satisfy the outlined standards, the following labels can be put. A labeled truck will have the type description put on the lift truck nameplate and would have one of the following labels put.
