

Fork Mounted Sweepers

Fork Mounted Sweepers - This attachment truly makes industrial sweeping work much easier to accomplish. The handy lift truck mounted broom is meant for use with either dry or wet material clean ups. It can squeegee water and push snow with ease. This particular attachment is normally utilized in order to clean garbage from warehouses, construction sites, docks, parking lots and almost anyplace it is considered necessary. The lift truck sweeper is a low maintenance attachment that utilizes quick-tite tine products to easily connect to the forklift.
